RENTAL NOTES

- One rental day is up to 24 consecutive hours unless otherwise agreed in writing.
- Weekend rates generally cover Friday afternoon through Monday morning; exact times are confirmed in writing.
- All rentals are delivered and retrieved by the owner. Customer pickup is not available.
- Delivery and retrieval charges vary by distance, quantity, timing and site access.
- Generators are delivered at an agreed fuel level and must be ready for retrieval at the same level. Refuelling charges apply when required.
- GST and PST are extra where applicable.
- A signed rental agreement, customer identification, payment authorization, deposit or proof of insurance may be required.
- Customers are responsible for loss, theft, damage beyond ordinary wear, missing accessories, excessive cleaning and late returns under the rental agreement.
- GP3300i RV packages include the appropriate adapter when available and are not equivalent to full 30-amp campground service.

Contact Mobile Light and Power Rentals for availability, multi-unit pricing, longer-term rentals and site-specific delivery charges.
